PROPERTY DESCRIPTION

Enjoy living on a country lane but within 5 minutes of Cherry Creek High. This amazing custom built ranch, was an extension of "Hospitality by Hogan", one of Denver's most notable restauranteers who built this wonderful home. Although it was built in the late '80s, it's commercial contractor and architect designed a timeless masterpiece. It is open, airy, 9 foot ceilings on each floor, vaulteds in the entry and family room, give this home a genuine feel of eye catching volume, found in today's newly constructed homes.

It is designed for entertaining. It has an enormous family friendly bar overlooking the family room. This doubles as a second kitchen, and can be a great place for a quick meal or snack. It is also a focal point for the family gathering. Just beyond the Kitchen is the formal Dining Room. This seats 20 guest comfortably and overlooks the back yard and even has some views.

The master is spacious with a large seating area and fireplace.
